

REMARKS

In the Office Action mailed June 8, 2010, the present application is subject to a restriction into two groups: Group I (Figs. 3-8); and Group II (Figs. 9A-9D).

Applicant elects the invention of Group I. Applicant respectfully submits that the claims corresponding to the elected Group I invention of Figs. 3-8 includes claims 1-12, 14, 15 and 17-26. Claim 13 has been withdrawn as it is directed to the nonelected invention of FIGS. 9A-9D. Applicant notes that withdrawn claim 13 is dependent on the elected claims, and thus can be added back into the case should the elected claims be allowed in the present application.

In light of all of the above, it is submitted that the claims are in order for allowance, and prompt allowance is earnestly requested. Should any issues remain outstanding, the Examiner is invited to call the undersigned attorney of record so that the case may proceed expeditiously to allowance.

Respectfully submitted,

/ Jay P. Sbrollini /
